

The 16th Annual Chippewa Lake Lions Club Foundation 2026 Polar Bear Jump & Fun Run/Walk Saturday, January 31, 2026

What to expect the day of the event & Helpful hints for Runners and Jumpers

Why the Reason for the Freez'n: We raise money for local charities. This year's focus is on feeding the young, the old and the needy of our area and supporting our citizens with intellectual disabilities to live, learn, earn, and play. Thru pledges, donations and sponsorships of Polar Bear Jumpers & Fun Run/Walkers, the Chippewa Lake Lions Foundation & Club have committed 50% of funds raised to support the CrossPointe Community Church's Community Meal Programs, The Society for Handicapped Citizens of Medina County. The Chippewa Lake Lions Club Foundation gives to many local & Northeast Ohio community charities including The Church at the Lake UMC, Lafayette Township Firefighter's Association, Westfield Township Fire & Rescue among many others. We thank you in advance for making our "15th Annual" Polar Bear Jump & Fun Run Race/Walk an overwhelming success. All money received will be wisely used and greatly appreciated.

The Chippewa Lake Lions Club Foundation hosts many activities for the community, including the July 4th parade, Spring Flower sale, support for community clean-up projects, Holiday Food Gift Fundraiser to the needy and supports various Lions Club International programs, such as the Marine Corps Toys for Tots and various eyesight initiatives both Domestically and Internationally.

How to participate: Visit www.chippewalakeions.com website and register online or register on the day of the event. Registration is \$50 for either or both the Fun Run/Walk and Jump...(yes...2 for the price of one!) Get your costume ideas together, start soliciting friends, family members, fellow workers, parents, and school classmates to support your efforts to raise the most pledges and donations. (See "How to Raise \$500 in 10 days" for more helpful hints!). You get a free T Shirt with your registration.

Payment Checks: Checks should be made out to the Chippewa Lake Lions Club Foundation.

Age Requirements: Polar Bear Jump-Fun Run/Walk participants 11 years of age & older may Jump, and 7 years of age & older may Run-Walk. Those under the age of 18 must have a waiver and release form signed by a parent or legal guardian.

Date & Location: Saturday, February 01, 2025. The start of the Polar Bear Fun Run/Walk and Jump will be at the beach area of the Village of Chippewa Lake. (Corner of Long Acre and Beachside Blvd). Back Up Dates: 2/15 or 3/1/2025.

The website map <https://chippewalakeions.com> shows the Fun Run Walk course, Village streets and parking areas.

Shuttle Transportation provided by Learning Garden: Warm shuttle transportation will be provided from parking areas to the start location.

T-shirts: Polar Bear Jump T-shirts will be given to all participants. Or you may purchase or order T-shirts at the event for \$15.00 short sleeve and \$20 long sleeve.

Day of the event registration: Walk up registration on the day of the event is welcomed. Registration will be located at The Village Inn 5875 Longacre Ln in Chippewa Lake, OH 44215, and will open at 10:00 AM. All waiver/release forms and donations forms must be completed and signed before your run -jump number will be assigned, and a number is issued. You **cannot run, walk or jump without** an assigned number.

If you choose to register online (...which is highly encouraged), you still need to check in at Registration and pick up your Jump or Run-Walk number for participation and free T-Shirt.

Scheduled Start Times: The Polar Bear – Fun Run/Walk is scheduled to start at Noon and the Polar Bear - Jump at 1:15 PM. You may participate in one or both events.

Runners' helpful hints:

The Polar Bear Fun Run/Walk course is approximately a 3.1 Miles in length within the recently paved streets of the Village of Chippewa Lake and Lafayette Township.

Necessary precautions: People considering Polar Bear running-walking-jumping should be mindful of their health conditions. Polar Bear activities can be very invigorating and increases blood flow....but, it **is not** recommended for those with heart problems, breathing disorders, or seizure conditions. You should consult your personal physician before participating. You will be required to sign a waiver-release prior to the activity.

Please take all the precautions necessary for cold weather running. Dress warmly and cover hands, mouth, ears and head as the temperature dictates. Severely cold weather requires significant covering to prevent frost bite and cold body parts. Please remember that streets and roads could be slippery and/or snow or ice covered.

Jumpers' helpful hints:

Necessary precautions: People considering Polar Bear running-walking-jumping should be mindful of their health conditions. Polar Bear activities can be very invigorating and increases blood flow....but ..it **is not** recommended for those with heart problems, breathing disorders, or seizure conditions. You should consult your personal physician before participating. You will be required to sign a waiver-release prior to the activity.

Jump Area - What to expect: The jump area is located at the beach area of the Village of Chippewa Lake (The corner of Long Acre and Beachside Blvd.) A 25' by 25' hole will be cut into the ice. There will be trained Lafayette Township Firefighters and EMS professionals at the site and in the water where the jump will take place. The water is approximately 4 feet deep or less in the jump area.

No head first diving is allowed. No flips are permitted!

There will be a designated walkway to enter and exit the ice, leading out to the jump site. (Contingencies will be taken should the ice not be thick enough for this activity.) The average jumper is only in the water for approximately 20 seconds. Seasoned jumpers may stay in longer...but no longer than 10 minutes. Don't worry, hypothermia takes much longer to kick in....you're just going to be cold! LTFD "Frog Men" will be in the water to assist the jumpers!

Changing tents: Men's and women's changing tents will be provided near the jump area.

Take care of your feet with protective foot wear: It is **mandatory** that you wear something on your feet, i.e. old tennis shoes, "aqua socks" or sandals to prevent cuts on your feet from the ice and preventing your feet from sticking to the snow & ice on the shore. Your feet are the first thing into the water and the last thing out.....so take care of them. Warm boots should be ready when you have dried off.

No Pet Policy: Sorry...to protect our furry friends, no pets are allowed at the Fun Run/Walk or the Jump Events. Please **do not** bring your Pet(s) to the Chippewa Lake Lions Club Foundation & Club- Polar Bear Event.

Have a spotter: Have a friend (lot of friends) that will work as your spotter; keeping towels, robes, blankets, dry clothes, eyeglasses, words of encouragement and other warm necessities as you enter and exit the jump area.

Do you wear eye glasses?: Do not wear glasses when you jump as it is very difficult to find them once they have dropped into the water. Hand eyewear to your spotter just before you jump, and they will have them handy once you are out of the water.

Plan ahead and have plenty of towels, robes and blankets: Once you have conquered the water, move quickly to the changing tents and completely remove your wet clothes, get dried off and back into your warm clothes and boots as soon as possible. Fleece works well as a base layer after you leave the water.

Don't forget to breathe: The cold water may seem to take your breath away...so remind yourself to breathe.

Photo Opportunities: There will be several photographers and videographers present to document your moment. Photos from the day's events will be posted on the website www.chippewalakelions.com. Photos may also be purchased for your own memory. You can send your own personal photos to akronal@brightideashops.com.

Alcohol: There will be no alcohol allowed at the jump site. Please **do not drink alcohol before you jump**. Alcohol speeds up hypothermia. Don't worry, after the jump, The Village Inn, a local establishment and location for the after party, will have plenty of the appropriate beverages to warm the body-soul and allow you the opportunity to share your experience with friends and fellow Polar Bears.

Food and warm drink: At the beach area, the local Church at Lake UMC will be providing hot chocolate and coffee for your consumption. The proceeds support the specific organization.

Savor the moment: Finally, when your jump number is called, take time, and savor the moment in front of family, friends, cheering throngs of onlookers, media, and fellow Polar Bears. The jump will be over before your goose bumps know what hit them. There will be many High Fives, and Loud Cheersand..... know that you have only 365 days until we do it again.

After Party!!!: The Village Inn will be hosting the after party. Chippewa Lake has always been known for its fun times and the Polar Bear After Party is no exception. Also, expect 50/50 raffles, basket (purchase raffle tickets to take a chance to win some amazing raffle baskets) auction and plenty of family fun and excitement to keep you entertained. Characters are always welcome.

Need more information?: Call Alan Robbins (cell) 330-701-7879 or via email at akronal@brightideashops.com. More information at www.chippewalakelions.com or <https://www.facebook.com/chippewalakelionsclubfoundation/>

Come and enjoy the fun.
