

Chippewa Lake Lions Club Foundation

A 501(c)(3) Non-Profit Public Charity

The Chippewa Lake Lions Club and Foundation announce

"A Season of Giving."

Our Club has provided a food gift to those in need for over 35 years in our community. We are reaching out to ask for your help again. Daily news of escalating food costs and reductions in government support compound the challenge for those who are struggling with food insecurity. This year, Chippewa Lions have made improvements to our program for food assistance. We listened to donor feedback and consulted with other charitable organizations and food banks to determine how to best use available resources.

We decided to launch a **"Season of Giving"** NOW. **Our objective is to reach our goal of \$9000 by October 31, 2026**, to provide help before Thanksgiving this year. We understand that people in need struggle all year long to provide necessities, including food, to their families.

Please help us. Your donation is tax deductible. 100% of your donation will be directly offered as food relief to those in need. The Chippewa Lake Lions Club & Foundation is an all-volunteer organization and will deliver gifts personally.
